Forecast For Tayside, Central & Fife
Issued by Met Office Aberdeen
at 0400 on Tuesday 20 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry today, some warm sunshine, east cloudier at times.

Today:
All areas will have a dry day with some spells of sunshine. Angus and eastern Perthshire may become cloudier by the afternoon. Some haar may affect the coasts at times too. Warm in the sunshine in the west. Maximum temperature 23 deg C (73 deg F).

Tonight:
Some evening sunshine in the west this evening. Then low cloud in the east will spread inland to many areas overnight, some fog along the east coast. Minimum temperature 12 deg C (54 deg F).

Wednesday:
Overnight low cloud burning off in the morning to leave a dry, sunny and very warm day, locally hot in the west and Central Belt. East coast somewhat cooler. Maximum temperature 25 deg C (77 deg F).

Outlook for Thursday to Saturday:
Remaining dry with some very warm sunshine and early morning low cloud, this may linger along the east coast into the afternoons keeping it rather cool.
